About this sample

This is one self-contained module from an A1 general-English course, written to a fixed nine-part template so that every module in the course has the same shape. It is designed for an app or online school: the listening scripts are written for studio recording (speaker labels, pauses, speed notes), every task has an answer key, and the mini-test is scored. Task formats follow the ones learners meet in Cambridge A2 Key-style tests: multiple-choice cloze, true/false, short-answer, gapped text, and guided writing of 25–35 words.

Target level: CEFR A1. Learner time: about 2 hours, in two or three sessions. Language of instruction: English throughout, with instructions kept at A1.

Can-do outcomes (A1). By the end of the module the learner can: say what they do every day and at what time; ask and answer simple questions about someone's routine; understand a short, slow, clear talk about a person's day; write a few connected sentences about their own day.

1 Grammar — Present simple for routines

Aim: use the present simple to talk about things you do every day; put adverbs of frequency in the right place; use *at*, *in* and *on* with times and days.

1a. Form

	I / YOU / WE / THEY	HE / SHE / IT
+	I get up at seven.	She gets up at seven.
–	I don't get up early.	She doesn't get up early.
?	Do you get up early? — Yes, I do. / No, I don't.	Does she get up early? — Yes, she does. / No, she doesn't.

Spelling with he / she / it: most verbs add -s (**gets**, **works**); verbs ending in -ch, -sh, -s, -x add -es (**watches**, **finishes**); -y after a consonant becomes -ies (**studies**); and remember *go* → *goes*, *do* → *does*, *have* → *has*.

1b. Adverbs of frequency

always (100%) · **usually** · **often** · **sometimes** · **never** (0%)

The adverb goes *before* the main verb — *I **usually** have lunch at one.* — but *after* the verb *be* — *She **is always** tired in the evening.*

1c. Time words

at seven o'clock · **at** night · **at** the weekend · **in** the morning / afternoon / evening · **on** Monday(s) · **every** day

Exercise 1.1 — Complete the sentences with the present simple.

1. I _____ (get up) at seven o'clock.
2. My sister _____ (go) to school by bus.
3. We _____ (have) lunch at one o'clock.
4. He _____ (watch) TV in the evening.
5. My parents _____ (not work) on Sundays.
6. She _____ (not like) coffee.
7. Tom _____ (study) English every day.
8. My brother _____ (have) a shower in the morning.

Exercise 1.2 — Write the questions. Then write a short answer that is true for you.

1. you / get up / early? — _____
2. she / work / in a bank? — _____
3. they / have / breakfast at home? — _____
4. he / go / to bed late? — _____
5. your mother / cook / dinner? — _____

Exercise 1.3 — Put the adverb in the correct place. Write the new sentence.

1. I go to the gym. (never)
2. She is late. (always)
3. We have lunch at home. (usually)
4. They are tired in the evening. (often)
5. He watches TV at night. (sometimes)

2 Vocabulary — Daily routines and the time

Aim: learn 16 routine verb phrases and tell the time in words.

2a. Routine verb phrases

MORNING	DAY	EVENING / NIGHT
wake up · get up · have a shower · get dressed · brush my teeth · have breakfast	go to work / school · start work · have lunch · finish work · go home	cook dinner · have dinner · do homework · watch TV · go to bed

Note the fixed pairs: *have* breakfast / lunch / dinner / a shower; *go* to work / to school / to bed / home (no *to*!); *get* up / dressed.

2b. Telling the time

DIGITAL	WORDS	DIGITAL	WORDS
7:00	seven o'clock	7:15	(a) quarter past seven
7:30	half past seven	7:45	(a) quarter to eight
7:10	ten past seven	7:50	ten to eight
12:00	twelve o'clock · midday · noon	0:00	midnight

Parts of the day: *in the morning* (until about 12), *in the afternoon* (12–6), *in the evening* (6–10), *at night*. In everyday English you can also just say the numbers: *seven thirty, eight fifteen*.

Exercise 2.1 — Put Sam's day in order. Write 1–8.

_____ go to bed · _____ get up · _____ have breakfast · _____ have a shower · _____ go to work · _____ have dinner · _____ have lunch · _____ go home

Exercise 2.2 — Write the times in words.

1. 7:00 → _____
2. 7:30 → _____
3. 8:15 → _____
4. 8:45 → _____
5. 12:00 (in the day) → _____
6. 6:10 → _____

Exercise 2.3 — Complete the sentences with a verb from the box.

brush · do · get · go · have · watch

1. I _____ dressed after my shower.
2. We _____ dinner at seven.
3. I _____ my teeth twice a day.
4. They _____ to bed at eleven.
5. My children _____ their homework after school.
6. We _____ TV in the evening.

3 Pronunciation — the -s ending: /s/, /z/, /ɪz/

Aim: hear and say the three sounds of the third-person -s. Learners often drop this ending; hearing the three groups helps them keep it.

SOUND	WHEN	EXAMPLES
/s/	after a voiceless sound: /p/ /t/ /k/ /f/	gets s , works s , cooks s , starts s , sleeps s , eats
/z/	after a voiced sound or a vowel	goes s , has s , plays s , lives s , reads s , does
/ɪz/	after /s/ /z/ /ʃ/ /tʃ/ /dʒ/ — an extra syllable	watches s , finishes s , brushes s , washes s , relaxes s , uses

Tip for learners: put your fingers on your throat. If you feel a vibration at the end of the verb (*live*, *play*), the -s is /z/. If you don't (*get*, *work*), it is /s/.

Exercise 3.1 — Put the verbs in the correct column.

gets · goes · watches · works · has · finishes · cooks · plays · brushes · starts · lives · washes

/s/

/z/

/ɪz/

Exercise 3.2 — Listen to Recording 2 and repeat. Then say the three sentences at natural speed.

She **gets** up at six. · He **goes** to work by bus. · She **watches** TV in the evening.

Focus: keep the -s, and give *watches* two syllables.

4 Listening — Maria's day

Aim: understand a short, slow, clear monologue about a person's day; catch times and days.

Task 4.1 — Before you listen. Maria is a nurse. Tick (✓) the things you think she does.

- ☐ has a shower ☐ goes to work by car ☐ has lunch at home ☐ goes to the gym ☐ plays football ☐ watches TV

Now listen to Recording 1 and check.

Task 4.2 — Listen again. True (T) or false (F)?

1. Maria works in a hospital. _____
2. She gets up at seven o'clock. _____
3. She goes to work by bus. _____
4. She has lunch at home. _____
5. She goes to the gym on Fridays. _____
6. She visits her parents on Sundays. _____

Task 4.3 — Listen a third time. Write the times.

1. She leaves home at _____.
2. She starts work at _____.
3. She has lunch at _____.
4. She finishes work at _____.
5. She goes to bed at _____.

Recording scripts (for the studio)

Speed: slow and clear, about 100–110 words per minute. One neutral accent throughout the course (British or American — the same voice for the same character across modules). Pauses are marked. Each recording is played twice in the app; the script is recorded once.

Recording 1 — Maria's day (*female voice, 30s–40s, friendly; ~1 min 25 s*)

Maria: Hello. My name is Maria. I'm a nurse, and I work in a hospital in Porto, in Portugal. *[pause 2 s]*
My day starts early. I get up at six o'clock. I have a shower, I get dressed, and I have breakfast — usually coffee and toast. *[pause 2 s]*
I leave home at a quarter to seven, and I go to work by bus. I start work at half past seven. In the morning, I visit my patients and I talk to the doctors. *[pause 2 s]*

I have lunch at one o'clock, in the hospital café. I finish work at four o'clock. *[pause 2 s]*

After work, I sometimes go to the gym — but I never go on Fridays. On Fridays, I'm too tired! In the evening, I cook dinner and I watch TV. I go to bed at ten o'clock. *[pause 2 s]*

At the weekend, I don't work. I sleep late, and I visit my parents on Sundays.

Recording 2 — Pronunciation drill *(same voice or a second voice; slow, ~1 min; leave 3 s after each item for the learner to repeat)*

Voice: Group one. *[pause]* gets — works — cooks — starts — sleeps — eats.

Group two. *[pause]* goes — has — plays — lives — reads — does.

Group three. *[pause]* watches — finishes — brushes — washes — relaxes — uses.

Now the sentences. *[pause]* She gets up at six. *[pause 3 s]* She gets up at six. *[pause 3 s]* He goes to work by bus. *[pause 3 s]* He goes to work by bus. *[pause 3 s]* She watches TV in the evening. *[pause 3 s]* She watches TV in the evening.

Recording 3 — Mini-test, Part 2 *(five short conversations, two voices each; ~2 min; 5 s pause after each conversation; the question is read by a narrator before each conversation)*

Narrator: One. What time does Tom start work?

Woman: Tom, do you start work at eight?

Tom: No, at half past eight. I finish at five. *[pause 5 s]*

Narrator: Two. How does Anna usually go to school?

Man: Do you walk to school, Anna?

Anna: No, it's far. My dad drives me. But on Fridays I go by bus. *[pause 5 s]*

Narrator: Three. What does Ben have for breakfast?

Woman: Do you want eggs for breakfast, Ben?

Ben: No, thanks. I always have cereal and a glass of milk. *[pause 5 s]*

Narrator: Four. When does Lucy go to the gym?

Man: Lucy, do you go to the gym every day?

Lucy: No, only on Tuesdays and Thursdays. At the weekend I go swimming. *[pause 5 s]*

Narrator: Five. What time does Sam usually go to bed?

Woman: You look tired, Sam. What time do you go to bed?

Sam: Usually at eleven. On Saturdays, at midnight. *[pause 5 s]*

5 Reading — A baker in Kraków

Aim: read a short text for the main idea and for detail; notice third-person forms in context.

Daniel is a baker. He lives in Kraków, in Poland, and he works in a small bakery near the main square. His day starts very early. He gets up at half past three in the morning! He doesn't have breakfast at home — he has coffee and a bread roll at work. He starts work at four o'clock. He makes bread and cakes. The bakery opens at seven, and the first customers come for fresh bread.

Daniel finishes work at twelve o'clock. Then he goes home and has lunch with his wife. In the afternoon, he always sleeps for two hours. In the evening, he plays with his children, and they have dinner together at six o'clock. Daniel goes to bed at nine o'clock.

He works from Tuesday to Saturday. On Sundays and Mondays he doesn't work — he relaxes, and sometimes he goes fishing.

Task 5.1 — Read quickly. Choose the best title.

A A baker's early day **B** Daniel's weekend **C** Bread in Poland

Task 5.2 — Read again. Choose A, B or C.

1. Where does Daniel have breakfast? **A** at home **B** in a café **C** at work
2. What time does the bakery open? **A** 4:00 **B** 7:00 **C** 12:00
3. What does Daniel do in the afternoon? **A** He sleeps. **B** He makes cakes. **C** He goes fishing.
4. When doesn't Daniel work? **A** Saturdays and Sundays **B** Sundays and Mondays **C** Mondays and Tuesdays

Task 5.3 — Answer the questions in a few words.

1. What time does Daniel get up? _____
2. Who does he have lunch with? _____
3. What does he sometimes do on his days off? _____

6 Speaking — Your day and someone else's

Aim: answer simple questions about your routine; ask about another person's routine and report it in the third person.

Task 6.1 — Interview. Answer with a full sentence.

1. What time do you get up on weekdays?
2. What do you have for breakfast?
3. How do you go to work or school?
4. What do you do in the evening?
5. What time do you go to bed?
6. What do you do at the weekend?

Useful language: *I usually ... / On weekdays ... / At the weekend ... / After that ... / Then ...*

Task 6.2 — Information gap (pairs). Ask questions to complete your table. Then tell your partner about the other person: *Elena gets up at ...***Student A**

	ELENA	MAREK
gets up	6:30	?
goes to work by	bike	?
has lunch at	12:30	?
finishes work at	4:00	?
in the evening	goes to the gym	?

Model question: *What time does Marek get up? — He gets up at eight o'clock. · How does Elena go to work? — She goes by bike.*

Task 6.3 — App version (self-study). Record a 30–45 second answer: "Tell me about your day."

Say at least five things, with times. Then listen to your recording and check:

- ☐ I used *at* with the times (*at seven o'clock*).
- ☐ I used one adverb of frequency (*usually, always, sometimes*).
- ☐ I used *go to work / go home / go to bed* correctly.
- ☐ I linked ideas with *then* or *after that*.

7 Writing — Your typical day

Aim: write a short, connected text of 25–35 words, the length used in A2 Key–style writing tasks.

Task 7.1 — Write about your typical day. Write 25–35 words.

Say: what time you get up · two things you do in the day · what time you go to bed. Use *usually* or *always* once.

Model answer (34 words):

I usually get up at seven o'clock. I have a shower and breakfast. I go to work by bus. In the evening I cook dinner and watch TV. I go to bed at eleven.

Check your writing:

- ☐ all three points are there (get up · two activities · go to bed)
- ☐ *at* + time; *in* the morning / evening
- ☐ the adverb is before the verb (*I usually get up*)
- ☐ capital letter at the start, full stop at the end of every sentence

Task 7.2 — Extension. Now write about a friend's or family member's day (25–35 words). Use *he* or *she*.

Focus: -s on the verb (*gets up, goes, has*) and *doesn't* in negatives.

Total: 20. Pass: 14. Learners who score 10–13 repeat Part 8 (Revision) and the listening before moving to the next module; below 10, repeat Parts 1–3.

- **Sequence.** Form → meaning → sound → receptive skills → productive skills → consolidation → assessment. Grammar comes first because this module's grammar is what the rest of the module recycles; in modules where the grammar is lighter, vocabulary can lead.
- **One language point per part.** Grammar carries the present simple; pronunciation carries only the -s ending; the time expressions live in vocabulary and are practised, not re-taught, everywhere else.
- **Exam-shaped tasks from A1.** Every task type here (three-option multiple choice, true/false, short answer, gapped text, 25–35-word guided writing, short-conversation listening) is one the learner will meet again in an A2 Key-style test, so the format is familiar before the level rises.
- **Recording scripts** are written to be read, not performed: one accent, ~100–110 wpm, pauses marked, the mini-test listening read by a narrator plus two voices. The same character keeps the same voice across modules.
- **Answer key discipline.** Every closed task has one key; every open task has a marking focus and a model. Alternatives that a learner could reasonably produce are listed as accepted.
- **Adaptable.** Names, cities and jobs in the texts are placeholders for the course's own cast of characters; the structure and item counts are the fixed part.
